

## CLIENT ASSESSMENT

### MERRITT HAWKINS

Tamekia Livingston-Willis  
Human Resource Generalist  
Iberia Comprehensive Community Health  
New Iberia, LA

Merritt Hawkins has worked extensively with Community Health Centers (CHCs) nationwide and is proud to be the sole preferred partner for permanent physician recruiting of the National Association of Community Health Centers. In the following client assessment, Tamekia Livingston-Willis, (title) with Iberia Comprehensive Community Health in (city, state) evaluates the services Merritt Hawkins provided to her center.

“We partnered with Merritt Hawkins in the search for a child psychiatrist. This was a challenging search based on the small candidate pool.”

“Merritt Hawkins did a great job in responding to our needs, maintaining contact with me throughout the entire process. Their ability to collaborate, to serve as an outside resource, and adapt to our needs was all outstanding.”

“One of their particular strengths is they are very attentive to their clients and quick in identifying potential candidates.”

“I would not recommend any changes to their search process and would certainly use Merritt Hawkins again and refer them to others.”
