

Savings Through Association

V | VALUE IN LABORATORY

The Value in Laboratory (ViL) Program is a collaboration between Laboratory Corporation of America (LabCorp), the Texas Association of Community Health Centers (TACHC), and CHV.

Created by TACHC and expanded by CHV, ViL offers health centers discounted rates on LabCorp's reference laboratory service.

What is the National Association of Community Health Centers (NACHC)?

The National Association of Community Health Centers (NACHC) was founded in 1971 to promote efficient, high quality, comprehensive health care that is accessible, culturally and linguistically competent, community directed, and patient centered for all.

NATIONAL ASSOCIATION OF
Community Health Centers®

What is Community Health Ventures (CHV)?

Community Health Ventures (CHV) is the business development affiliate of the National Association of Community Health Centers (NACHC). Founded in 2000 under the direction of health center leadership, CHV is tasked with creating solutions to the economic pressures facing health centers.

ViL Features and Benefits

- No fees to access ViL's national pricing matrix.
- LabCorp operates 38 primary testing facilities and over 1,500 customer service centers nationally.
- 20% average health center savings for tests and panels of tests.
- Health centers access LabCorp's extensive esoteric testing portfolio alongside groundbreaking technologies.
- LabCorp has relationships with over 500 EMR vendors for seamless data integration.

CHV operates additional programs on behalf of NACHC, including:

The Value in Purchasing (ViP) Program is the only national group purchasing program endorsed by the National Association of Community Health Centers (NACHC).

Value in Benefits (ViB) is a partnership with Nonstop Administration and Insurance ahealth benefits to health center employees while controlling premium costs.

Value in Dental (ViD) is the only national pricing program for dental supplies. A partnership with Benco Dental, the largest privately owned dental distributor, ViD offers uniform, discounted rates based on national volume.

Value in Staffing (ViS) is a workforce solution offering health centers discounted rates with permanent placement and locum tenens firms.
